

Ghassoul Paste

Moroccan cleansing clay
300 g

Benefits:

ready-to-use paste
gently deep cleans pores
naturally mineral rich
improves tone and texture of skin
natural alternative to soap

Found only in one place on earth - under the Atlas mountains of north-western Africa - Ghassoul is a natural, mild cleanser. Unlike soap, it contains no surfactants and cleanses by absorbing dirt and excess oil from the surface of the skin. Blended with **Palma Christi l'Originelle** castor oil and essential oils for use on hands and body.
